For your Understanding

1. It is not the price quote, but our intentions that Matters.
2. Drilling at a Specific Point depends on a lot of factors and Subject to prior inspection only.
3. Quote valid for a limited period and may subject to Change.
4. Request to make an online booking in advance using our payment gateway.
5. Water below the ground level is unseen thus its quality or quantity cannot be guaranteed.
6. In Case of any geological issue arises, drilling may be stopped after the explanation of the same.
7. Driller knows and understands better, so his decision would be final.
8. The amount to be remitted or deposited before the start of drilling is Rs.50,000/-
9. No credits, complete payment to be done the same day the drilling done.
10. If initial or part payment done on-line through our website keep the details handy.
11. We also undertake drilling projects on turn-key basis.
12. Last but not the least, water is a matter of luck and we wish you the best of the quality and quantity required.
